Subject: Are We Student-Centered?

To Provost McGee, and my Friends in the School of Science and Math:

By the Provost's memorandum of 18Feb16 I was offered an "Opportunity to Persuade" that "one or more of the terms of the sanction being considered should not be imposed" upon me. The attached memorandum constitutes my attempt at such persuasion.

This is an open communication, and I would be gratified to receive a reply in like fashion.

Proverbs 4:18-19,
Rob
