Subject: RE: Compromise?

Good morning, Rob.

This is a very good question.

While my interpretation was that this would be acceptable, I think before I give you an absolute answer, I should get written confirmation. Also, I know since one of the conditions is that the change has to be approved by your supervisors, I should get confirmation from your chair as well.

I will contact your chair, dean, and the Provost to provide you with a definitive answer to your question.

Thank you for your patience.
Beth

Subject: Compromise?

Dear Beth,

I am in receipt of your letter of yesterday afternoon, 5/5. As a point of clarification, did the Provost seem willing to consider the compromise your committee suggested Monday morning?

Thanking you for your kind attention,
Rob
