

Freshwater Gastropods Proposed by the Center For Biological Diversity 20Apr10

Family	Scientific Name	AR	MS	AL	TN	KY	NC	GA	FL
Ancylidae	<i>Rhodacme a elatior</i>			X	X	X			
Planorbidae	<i>Planorbella magnifica</i>						X		
Hydrobiidae	<i>Antrorbis breweri</i>			X					
Hydrobiidae	<i>Aphaostracon asthenes</i>								X
Hydrobiidae	<i>Aphaostracon chalarogyrus</i>								X
Hydrobiidae	<i>Aphaostracon monas</i>								X
Hydrobiidae	<i>Aphaostracon pycnus</i>								X
Hydrobiidae	<i>Aphaostracon theiocrenetum</i>								X
Hydrobiidae	<i>Floridobia mica</i>								X
Hydrobiidae	<i>Floridobia monroensis</i>								X
Hydrobiidae	<i>Floridobia parva</i>								X
Hydrobiidae	<i>Floridobia ponderosa</i>								X
Hydrobiidae	<i>Floridobia wekiwae</i>								X
Hydrobiidae	<i>Marstonia agarhecta</i>							X	
Hydrobiidae	<i>Marstonia castor</i>							X	
Hydrobiidae	<i>Marstonia ozarkensis</i>	X							
Hydrobiidae	<i>Somatogyrus alcoviensis</i>							X	
Pleuroceridae	<i>Elimia acuta</i>			X	X				
Pleuroceridae	<i>Elimia alabamensis</i>			X					
Pleuroceridae	<i>Elimia ampla</i>			X					
Pleuroceridae	<i>Elimia annettae</i>			X					
Pleuroceridae	<i>Elimia arachnoidea</i>				X				
Pleuroceridae	<i>Elimia bellacrenata</i>			X					
Pleuroceridae	<i>Elimia bellula</i>			X					
Pleuroceridae	<i>Elimia chiltonensis</i>			X					
Pleuroceridae	<i>Elimia cochliaris</i>			X					
Pleuroceridae	<i>Elimia cylindracea</i>		X	X					
Pleuroceridae	<i>Elimia lachryma</i>			X					
Pleuroceridae	<i>Elimia melanoides*</i>			X					
Pleuroceridae	<i>Elimia nassula</i>			X					
Pleuroceridae	<i>Elimia olivula</i>			X					
Pleuroceridae	<i>Elimia perstriata</i>			X					
Pleuroceridae	<i>Elimia showalteri</i>			X					
Pleuroceridae	<i>Elimia teres</i>				X				
Pleuroceridae	<i>Elimia vanuxemiana</i>			X					
Pleuroceridae	<i>Io fluvialis</i>			X	X				
Pleuroceridae	<i>Leptoxis arkansensis</i>	X							
Pleuroceridae	<i>Leptoxis picta</i>			X					
Pleuroceridae	<i>Leptoxis virgata</i>			X	X		X		
Pleuroceridae	<i>Lithasia curta</i>			X	X	X			
Pleuroceridae	<i>Lithasia duttoniana</i>				X				
Pleuroceridae	<i>Pleurocera corpulenta</i>			X	X				
Pleuroceridae	<i>Pleurocera curta</i>			X	X	X			
Pleuroceridae	<i>Pleurocera pyrenella</i>			X				X	

Red = Mobile Basin endemics

Blue = Tennessee Basin endemics
